BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 90-209-C - ORDER NO. 90-1145  
NOVEMBER 30, 1990

IN RE: Application of Advanced Telecommunications ) ORDER  
Corporation for a Certificate of Public ) GRANTING  
Convenience and Necessity ) PETITION AND  
 ) AMENDING PRIOR  
 ) ORDER

The matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Petition for Rehearing and Reconsideration (the Petition) filed on November 19, 1990, by Advanced Telecommunications Corporation (the Company or ATC) seeking a modification of Order No. 90-1035, issued previously herein, to clarify that ATC has been given authority to complete intrastate intraLATA calls over intraLATA wide area telephone service (WATS), message toll services (MTS), private and foreign exchange lines or other services which have been approved for resale. ATC requests the insertion in Order No. 90-1035 of language included in Orders certifying other resellers of long distance services which have authority to resell certain services on an intraLATA basis.

The Commission notes that there has been no Return to the Petition filed. Upon consideration of the Petition, the Commission finds that Paragraph No. 4 on Page 4 of Order No.

90-1035 issued previously herein is in conflict with provisions of other orders granting authority to applicants such as ATC for the resale of the intraLATA services such as those dealt with in this Docket. The Commission further finds that Order No. 90-1035 should be amended by the deletion therefrom of Paragraph No. 4 on Page 4 thereof, and the substitution therefor of the following:

That all intrastate intraLATA calls must be completed over intraLATA WATS, MTS or private and foreign exchange lines which have been approved for resale. Any intraLATA calls not completed in this manner would be considered unauthorized traffic and the Company will be required to compensate LEC's for any unauthorized intraLATA calls it carries pursuant to Commission Order No. 86-793 in Docket No. 86-187-C.

IT IS THEREFORE ORDERED:

1. That the Petition of Advanced Telecommunications Corporation for reconsideration of Commission Order No. 90-1035 be, and hereby is, granted.

2. That Commission Order No. 90-1035 be, and hereby is, amended by the deletion therefrom of Paragraph No. 4 on Page 4 thereof and the substitution therefor of the following:

That all intrastate intraLATA calls must be completed over intraLATA WATS, MTS or private and foreign exchange lines which have been approved for resale. Any intraLATA calls not completed in this manner would be considered unauthorized traffic and the Company will be required to compensate LEC's for any unauthorized intraLATA calls it carries pursuant to Commission Order No. 86-793 in Docket No. 86-187-C.

3. That this Order shall remain in full force and effect until further Order of the Commission.
